UABSV provides its Services (as defined below) via the website, www.coinpayments.net (the "Website"), as we provide our Services utilizing the software of CoinPayments Inc.

Unless otherwise stated herein, references to "UABSV", "we", "us" or "our" in this Agreement will refer collectively to UABSV and its respective direct and indirect parent companies, subsidiaries, affiliates and entities under common control. In this Agreement, "you," "your" or "User" means any person or entity using the Platform (as defined below) or our Services.

For purposes of this Agreement, "Crypto-Asset" means any digital representation of a value or of a right that is able to be transferred and stored electronically using distributed ledger technology or similar technology (including virtual currency, digital currency, virtual assets, virtual commodities or other digital assets).

If we are required to do so for legal or regulatory purposes or at any time you tell us or we discover that your country of residency, domicile or jurisdiction has changed, you agree that, if necessary, we will automatically novate your Agreement with us to an additional counterparty chosen by us or that is providing Services in your new country of residency, domicile or jurisdiction and by agreeing to the terms and conditions of this Agreement, you hereby agree to such novation and all of the terms and conditions of the agreement with such additional counterparty.

This Agreement governs your use of the gateway payments software applications accessed through the Platform and all services provided by us from time to time (collectively, the "Services"). In this Agreement, "Services" means act as a custodian Crypto-Assets wallet service provider; accept Crypto-Assets as a method of payment for the sale of commercial goods by a third party; exchange Crypto-Assets for other Crypto-Assets either by using our own proprietary Crypto-Assets or by transmitting your order for execution to a third-party service provider; exchange Crypto-Assets for fiat money (and vice versa) through our partners; and the transfer of Crypto-Assets, that is to say, move Crypto-Assets from one Crypto-Assets address or account to another.

By visiting, accessing, or using the WebSite or any of our other websites or the platform and technology integrated therein, web pages, features, Content (as defined below) or applications we own or operate (including mobile applications) and/or when you use any of our application programming interfaces ("APIs") or third party applications relying on such APIs (collectively, the "Platform") or any of our products or Services, you (a) acknowledge that you have the right, capacity and authority to accept this Agreement; (b) acknowledge and agree that you have read, understood and accept all of the terms and conditions

contained in this Agreement, as well as all of the terms and conditions of our [Privacy Policy](#) which is hereby incorporated by reference and forms part of this Agreement; and (c) consent to the terms and conditions of this Agreement. You should read this Agreement and the [Privacy Policy](#) carefully and in their entirety.

This Agreement is effective as of the earliest date and time at which you have visited or accessed the Platform.

If you do not agree to be bound by the terms and conditions of this Agreement or the [Privacy Policy](#), you must not use or access the Platform or use or access any of our products or Services. Any use of or access to the Platform or our products and Services means you consent to and agree to the terms and conditions of this Agreement and the [Privacy Policy](#). If you do not read and accept this Agreement and our [Privacy Policy](#) in their entirety, you should not use or continue using the Platform or our products and Services.

No partnership, joint venture, employee-employer, joint associates for profit, agency or franchiser-franchisee relationship is intended or created by this Agreement. We do not endorse or recommend any particular Crypto-Asset or transaction. You acknowledge and agree that: (a) we are not acting as your bank, financial institution, broker, dealer, intermediary, agent, or advisor or in any fiduciary capacity and nothing in this Agreement shall be deemed or is intended to be deemed, nor shall it cause, any fiduciary or advisory relationship between you and us to exist; and (b) no communication or information provided to you by us including, without limitation, our Content shall be considered or construed as transaction, investment, tax, or any other form of advice. Independent advice should be sought where applicable and appropriate. You acknowledge and agree that the decision to use our Services and all transaction decisions are made solely by you and we bear no responsibility or liability for the outcome of your decisions.

CAUTION:

Engaging in the use, holding, or trading of Crypto-Assets involves significant risks, including but not limited to market volatility, regulatory uncertainty, security vulnerabilities, liquidity constraints, and technological failures. You should carefully evaluate whether you can bear these risks and determine if such activities align with your financial situation and risk tolerance.

You acknowledge and agree that you access and use the Services at your own risk. We do not guarantee the stability, security or value of any Crypto-Assets and you accept full responsibility for any potential losses resulting from your use of the Services.

We reserve the right to change, modify, or otherwise update the terms and conditions contained in this Agreement, including but not limited to any policy or guideline of our Services or the Platform that forms part of this Agreement (the "Updated User Agreement"). The Updated User Agreement will be effective upon actual, constructive, or inquiry notice (the "Notice Date"). We may provide notice by posting the Updated User Agreement on the Website, changing the "Last updated" date at the top of the Agreement, through a pop-up or e-mail communication, and/or by any other means we deem necessary. You agree that we will not be liable to you or any third party for any losses suffered resulting from any modification or amendment of this Agreement.

If you do not agree to be bound by the Updated User Agreement, your sole and exclusive remedy will be to close your account within thirty (30) days of the Notice Date and your access or use of the Service(s) will be permitted only to the extent necessary to immediately close your account. You acknowledge that you may close your account without making any trades or transactions using the Service(s), and that any such actions are not necessary to close your account. Your non-termination or continued use of the Platform or Service(s) after such thirty (30)-day period will constitute your acceptance of the Updated User Agreement as of the Notice Date.

Certain products and Services may be subject to additional terms and conditions specified by us from time to time, and your use of such products and Services is subject to those additional terms and conditions,

which are hereby incorporated into this Agreement by reference. Further, this Agreement is in addition to any other agreements between you and us, including any customer or account agreements, terms and conditions for the use of our biometric authentication Service and any other agreements that govern your use of software, products, goods, Services, Content, tools, and information provided by us and hereby incorporates by this reference any additional terms posted by us through the Platform, or otherwise made available by us.

In order to use the Platform and our products or Services, you must register for a personal or merchant account (an "Account") and accept the terms of this Agreement and our [Privacy Policy](#). 2. *Our Services.*

- 2.1 *Crypto-Asset Services.* Our Services or the services of our partners enable you to store, track, transfer, manage and convert your balances (collectively, "Crypto-Asset Transactions") of certain supported Crypto-Asset in Crypto-Asset wallets hosted by us. We will process Crypto-Asset Transactions in accordance with the instructions we receive from you. When you request that we receive or deposit Crypto-Asset into your Account from another one of your accounts or wallets or request that we transfer Crypto-Asset to another wallet or account from your Account, you authorize us to execute such transaction via the Services. Prior to submitting instructions to us, you should verify all transaction information. We do not guarantee the identity of any recipient, user, requestee or other party and we will have no liability or responsibility for ensuring that the information you

provide is accurate and complete. You shall provide us with any information that we may require from time to time in relation to any Crypto-Asset Transaction.

You cannot reverse a Crypto-Asset Transaction once it has been broadcast to the relevant Crypto-Asset network. If a Crypto-Asset Transaction has not yet been confirmed on the Crypto-Asset network, Crypto-Asset(s) associated with such transaction will be designated as pending and will not be included in your Crypto-Asset wallet balance or be available to conduct Crypto-Asset Transactions. You cannot reverse or change any Crypto-Asset Transaction marked as complete or pending.

You must comply with all applicable laws, regulations, licensing requirements and third party rights (including, without limitation, data privacy laws) in your use of our products and Services. We may refuse to process or cancel any pending Crypto-Asset Transaction as required by law or any court or other authority to which we are subject in any jurisdiction. We further reserve the right to delay any Crypto-Asset Transaction if we perceive a risk of fraud or illegal activity. We also have the right to refuse to process or cancel any Crypto-Asset Transaction due to technological issues with the blockchain software, our own software, or for other technological reasons.

Our Services are available only in connection with those Crypto-Assets that we support which may change from time to time. A full list of the Crypto-Assets we currently support can be found on the Website at [Supported Coins](#). You will not use your Account or your Crypto-Asset wallet to store, send, request, or receive Crypto-Assets in any form that we do not support (we will use reasonable efforts to help you move or sell Crypto-Assets that we no longer support). We assume no responsibility or liability in connection with any attempt to use your Account or Crypto-Asset wallet for Crypto-Assets that we do not support.

You agree that you will not receive interest or other earnings in your Account or Crypto-Asset wallet from the use of our Services except through your own Crypto-Asset Transactions and we have no responsibility or liability to you for Crypto-Asset Transactions conducted by you or conducted by us in accordance with your instructions. You are prohibited from using our products and Services for any illegal or fraudulent purposes or for the purpose of consummating transactions for any other parties.

All Crypto-Asset received by us in your Account ("Received Assets") are custodial assets held by us for your benefit, as described in further detail below:

- (a) Ownership. Title to Received Assets shall at all times remain with you and shall not transfer to us, except as provided herein. As the owner of the Received Assets in your Account, you bear all risk of loss of such Received Assets (unless the loss occurs due to our actual fraud or gross negligence and subject to the limits on our liability as set forth in Section 2.6 below), and we have no responsibility or liability with respect to the value of the Crypto-Assets in your Account. We are under no obligation to issue any replacement Crypto-Assets or funds in the event that any Crypto-Asset, funds or password are lost, stolen, malfunctioning, destroyed or otherwise inaccessible. None of the Received Assets in your Account are our property, are loaned to us, or are subject to the claims of our creditors, and we don't represent or treat Received Assets in your Account, or in any other customer account, as our property. However, a court may disagree with such treatment of your Crypto-Assets and subject them to claims of our creditors. Except as required by a facially valid court order, applicable law, or except as provided herein, we will not sell, transfer, loan, hypothecate or otherwise alienate Received Assets in your Account unless instructed by you or as otherwise authorized by this Agreement. For the avoidance of doubt, we make no warranty that Crypto-Assets in your Account (including Received Assets) are held by you free and clear of any security interest or other lien or encumbrance.

- (b) Control. You control the Received Assets. At any time, subject to outages, downtime, and other applicable policies or the other terms of this Agreement, you may withdraw your Received Assets by sending them to a different blockchain address controlled by you or a third party.
- (c) Wallets. Your Crypto-Assets may be held in a separate individual wallet only if instructed by you and when available as part of our Services in our sole discretion. Unless otherwise instructed and agreed to by us, your Crypto-Assets will be held in a general multi-client wallet pooled with those of other users and managed and overseen by us and its accounting procedures. Individual user entitlements may not be identifiable by separate physical documents of title or other electronic records, and, in the case of an irreconcilable shortfall, you may not receive your full entitlement and may share in the shortfall pro rata to your share of the Crypto-Assets in the omnibus account or pool. You hereby expressly consent to the pooling of your Crypto-Assets with the Crypto-Assets of other users. You further represent and warrant that you are, and shall remain at all times, the ultimate and effective beneficial owner of the Crypto-Assets held by us, that you shall not act as nominee or trustee for any other person, and that you shall not transfer, assign, pledge, charge or otherwise create any security interest whatsoever over such Crypto-Assets without our prior written knowledge and consent.
- (d) Position Register. We shall keep a register of positions opened in the name of each user opting for our Crypto-Asset custodial wallet Services. Every transaction, whether a deposit, withdrawal, or internal transfer, is promptly recorded, ensuring that all movements of Crypto-Assets are fully documented and regularly updated. The register serves as a clear and auditable record of your transaction history.

2.2 *Internet Provider*. We act as a Service provider by creating, hosting, maintaining and providing our Services to you via the Internet. We cannot ensure that a buyer or a seller you are dealing with will complete the Crypto-Asset Transaction and all risk of a Crypto-Asset Transaction remains with you. We do not guarantee continuous, uninterrupted or secure access to our Services or the Platform and we make no representations or warranties regarding the amount of time needed to complete Crypto-Asset Transaction processing which is dependent upon many factors outside of our control. Access to Services may become degraded or unavailable during times of significant volatility or volume.

2.3 *Underlying Protocols*. We do not own, control, operate or maintain the underlying software protocols which govern the operation of the Crypto-Assets supported by us. In general, the underlying protocols are open source software and anyone can use, copy, modify, and distribute them. By using our Services, you acknowledge, agree and accept the risk: (a) that we are not responsible for the operation of the underlying protocols and any changes to such protocols and we make no guarantee of their security, functionality or availability; and (b) that the underlying protocols are subject to sudden changes in operating rules, which may, amongst other things, materially affect the value, function, name of a Crypto-Asset and/or our ability to support certain Crypto-Assets and we are not liable in respect of such protocols or any change in the value of any Crypto-Asset including any loss in value you may experience whether as a result of a fork or any similar change to a Crypto-Asset's protocol or otherwise. In the event of a fork in a Crypto-Asset, you agree that we may temporarily suspend our Services (with or without advance notice to you) and that we may, in our sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol entirely. You also agree that in the event you send a Crypto-Asset Transaction at the time of a Crypto-Asset fork, we will only honor the originally intended Crypto-Asset Transaction that you sent. You acknowledge and agree that we assume absolutely no responsibility or liability whatsoever in respect of an unsupported branch of a forked protocol.

2.4 *Identity Verification*. During registration of your Account and at any other time you have an Account, you agree to provide us with the information we request for the purposes of ongoing due diligence,

identity verification and the detection of money laundering, terrorist financing, non-compliance with sanctions, fraud, or any other financial crime and permit us to keep a record of such information, including, without limitation, your biometric data (i.e., we may collect and process biometric data (such as facial recognition or fingerprint data) for identity verification purposes). You will maintain and promptly update your Account information. You agree and represent and warrant that all information you provide us at any time will not be false, inaccurate, or misleading. You will need to complete certain verification procedures before you are permitted to use our Services. Your access to our Services and the limits that apply to your use of our Services, may be altered, suspended or terminated as a result of information collected about you on an ongoing basis and/or your failure to provide us with information we request on a timely basis. You authorize us to make inquiries, whether directly or through third parties, that we consider necessary to verify your identity or protect you and/or us against fraud or other financial crime, and to take action we reasonably deem necessary based on the results of such inquiries. When we carry out these inquiries, you acknowledge and agree that your personal information may be disclosed to fraud prevention or financial crime agencies and that these agencies may respond to our inquiries in full.

You are solely responsible and liable for the activity that occurs in relation to your Account and for maintaining the security of your Account by protecting your password and restricting access to your Account. You accept all risks of any authorized or unauthorized access to your Account, to the maximum extent permitted by law. You are required to keep your Account password secure. We recommend that you use “strong” passwords (passwords that use a combination of upper and lower case letters, numbers and symbols) with your Account. You must notify us immediately of any breach of security or unauthorized use of your Account by emailing us at contact@uabsv.com. We will not be responsible or liable for any damages, liability or losses caused by any unauthorized use of your Account.

You may control your User profile and how you interact with our Services by changing the settings in your Account settings page. By providing us with your email address, you consent to our using such email address to send you Service-related notices, including any notices required by law, in lieu of communication by postal mail. We may also use your email address to send you other messages, such as changes to features of our Services. If you do not want to receive such email messages, you may opt out by clicking “unsubscribe”, or something similar in the email message. Opting out may prevent you from receiving email messages regarding updates, improvements, or offers.

- 2.5 *No Warranty.* THE PLATFORM, ALL INFORMATION PROVIDED THROUGH THE PLATFORM AND OUR PRODUCTS AND SERVICES ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS.

EACH OF US AND OUR RESPECTIVE PAST, PRESENT AND FUTURE EMPLOYEES, OFFICERS, DIRECTORS, ADVISORS, CONTRACTORS, CONSULTANTS, LICENSORS, EQUITY HOLDERS, MEMBERS, PARTNERS, SHAREHOLDERS, SUPPLIERS, MANAGERS, VENDORS, SERVICE PROVIDERS, PARENT COMPANIES, SUBSIDIARIES, AFFILIATES, ENTITIES UNDER COMMON CONTROL, AGENTS, REPRESENTATIVES, PREDECESSORS, SUCCESSORS AND ASSIGNS (INDIVIDUALLY, A “UABSV PARTY” AND COLLECTIVELY, THE “UABSV PARTIES”) EXPRESSLY DISCLAIM, AND YOU WAIVE, ALL WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. No information, whether oral or written, obtained by you from us or through use of the Platform or our products and Services will create any warranty not expressly stated herein. Without limiting the foregoing, the UABSV Parties do not warrant that our products or Services will meet your requirements; our Content is accurate, reliable, or correct; that our products and Services will be available at any particular time or location, uninterrupted, error-free or secure; that any defects or errors will be corrected; or that the Platform is free of viruses or other harmful components. Use of the Platform and our products and Services are at entirely your own

risk and any Content downloaded or otherwise obtained through the use of the Platform or our products and Services is downloaded at your own risk.

The materials and related graphics on the Platform could include technical inaccuracies or typographical errors. Accordingly, you should verify all information before relying on it, and all decisions based on information contained on the Platform are your sole responsibility and we shall have no liability for such decisions. Changes are periodically added to the information contained on the Platform. The UABSV Parties may make improvements and/or changes to the Platform, our products and Services and/or the materials described on the Platform at any time.

From time to time, the Platform may provide access to or link to third-party products and services including, without limitation; the exchange between one or more forms of digital assets; the exchange between one or more forms of Crypto-Asset to fiat money; settlement to fiat services such as permitting larger amounts of digital assets to be converted to fiat money with the further settlement of such fiat money to a bank account; and fiat on-ramp services for payments including allowing buyers to pay merchants with traditional payment methods at checkout (e.g., credit/debit cards and bank transfers) (collectively, the “Third Party Services”). For the avoidance of doubt, we do not hold any of your fiat money for the provision of our Services, as any fiat related activities are performed by our partners. We provide access to Third Party Services only as a convenience and have no control over and do not warrant, endorse, guarantee, or assume responsibility or liability for any product or service provided by a third party accessed through the Platform or any hyperlinked website or service, and we will not in any way monitor or be a party to any transaction between you and any third-party. We are not responsible or liable for ensuring that a third party you transact with will complete the transaction or is authorized to do so. You use Third Party Services at your own risk and you are solely responsible for reviewing and understanding the implications of using the products and services of such third parties. You may incur charges from third parties for the use of Third Party Services which are separate from our fees.

If, to the extent permitted by us from time to time, you grant express permission to a third party to access or connect to your Account(s), either through the third party’s product or service or through the Platform, you acknowledge that granting permission to a third party to take specific actions on your behalf does not relieve you of any of your responsibilities under this Agreement. You are fully responsible for all acts or omissions of any third party with access to your Account(s). Further, you acknowledge and agree that you will not hold any UABSV Party responsible for, and will indemnify all UABSV Parties from, any liability arising out of or related to any act or omission of any third party with access to your Account(s).

WE MAKE NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, ABOUT LINKED THIRD PARTY SERVICES, THE THIRD PARTIES THEY ARE OWNED AND OPERATED BY, THE INFORMATION CONTAINED ON THEM, ASSETS AVAILABLE THROUGH THEM, OR THE SUITABILITY, PRIVACY, OR SECURITY OF THEIR PRODUCTS OR SERVICES. YOU ACKNOWLEDGE SOLE RESPONSIBILITY FOR AND ASSUME ALL RISK ARISING FROM YOUR USE OF THIRD-PARTY SERVICES, THIRD-PARTY WEBSITES, APPLICATIONS, OR RESOURCES, INCLUDING RISK OF LOSS FOR ASSETS TRADED THROUGH SUCH THIRD-PARTY SERVICES. IN NO EVENT WILL A UABSV PARTY BE LIABLE FOR ANY DAMAGES ARISING OUT OF OR RELATING TO THIRD PARTY SERVICES. THIS SECTION OPERATES IN ADDITION TO ANY LIMITATION OF LIABILITY EXPRESSED ELSEWHERE IN THIS AGREEMENT.

- 2.6 *Limitation of Liability.* To the maximum extent permitted by applicable law, in no event shall any of the UABSV Parties be liable for any indirect, punitive, incidental, special, consequential or exemplary damages, including, without limitation, damages for loss of revenues, property, profits, business opportunities, goodwill, anticipated savings, use, data or other intangible losses, arising out of or relating to: (a) the use of, or inability to use, the Platform or our products or Services; (b) any Content or information provided by us or available from the Platform; (c) any conduct or content

of any other User of our products or Services or third party; or (d) the failure to receive in any way the transmission of any data, content, virtual currencies, digital currencies, virtual assets, virtual commodities or other digital assets in any form including Crypto-Assets, funds or property from you. Furthermore, and without limiting the generality of the foregoing, under no circumstances will any UABSV Party be responsible for any liability, claim, proceeding, damage, loss, expense or injury resulting from hacking, tampering or other unauthorized access or use of our products, Services, your Account or the information, Crypto-Asset or funds contained therein.

To the maximum extent permitted by applicable law, none of the UABSV Parties shall be responsible or liable for any: (a) errors, mistakes, omissions or inaccuracies of information or Content provided by us or on the Platform; (b) loss, liability, cost, expense or damage of any nature whatsoever suffered or incurred arising out of or in connection with your access to or use of the Platform, any of its Content or our products or Services; (c) unauthorized access to or use of our secure servers and/or any and all personal information stored therein; (d) faults, delays, interruptions or lack of availability of the Platform or any of our Services or products provided through the Platform; (e) bugs, viruses, trojan horses, or the like that may be transmitted to or through our Services by any user or any third party; (f) errors or omissions in any Content or for any loss or damage incurred as a result of the use of any Content posted, emailed, transmitted, or otherwise made available through the Platform or our Services; and/or (g) action of other users, User Content (as defined below) or the defamatory, offensive, or illegal conduct of any third party. To the maximum extent permitted by applicable law, in no event shall the UABSV Parties be liable to you for any claims, proceedings, liabilities, obligations, expenses, damages, losses or costs in an amount exceeding the amount of fees paid by you to us for the applicable Services for the six (6) months preceding the date of any claim giving rise to such liability or one hundred United States of America dollars (USD100.00), whichever is greater.

This limitation of liability section applies whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if a UABSV Party has been advised of the possibility of such damage. The foregoing limitation of liability shall apply to the fullest extent permitted by law in the applicable jurisdiction.

Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some of the limitations of this section may not apply to you.

- 2.7 *Indemnification.* You agree to defend, indemnify and hold harmless each UABSV Party from and against any and all claims, proceedings, damages, obligations, losses, liabilities, costs or debt, and expenses (including but not limited to attorney's fees) arising from: (a) your use of and access to the Platform and our products or Services, including, without limitation, any data, Crypto-Assets in any form or content transmitted or received by you; (b) your violation of any term or condition of this Agreement, including without limitation, your breach of any of the representations and warranties contained herein; (c) your violation of any third-party right, including, without limitation, any right of privacy or Intellectual Property Rights (as defined below); (d) your violation of any applicable law, rule or regulation; (e) your User Content or any content that is submitted via your Account including, without limitation, misleading, false, or inaccurate information; (f) your fraudulent behaviour, willful misconduct or gross negligence; or (g) any other party's access and use of your Account or our products and Services with your unique username, password or other appropriate security code. If you are obligated to indemnify us, we will have the right, in our sole discretion, to control any action or proceeding and determine whether we wish to settle it. In such case, you will share the costs of our expenses.

3. *Fees.*

- 3.1 *Fees Generally.* A full list of our fees for traditional payment processing and Crypto-Asset wallet services can be found at [Fees/Pricing](#) on the Website, in this Agreement or in a separate fee

schedule provided by us, which we may change from time to time and which shall form part of this Agreement. Changes to fees/pricing are effective as of the effective date of the posting of such changes in a revised version of this Agreement, on the Website or in a separate fee schedule provided by us and will apply prospectively to any transactions that take place following the effective date of such posting or such separate fee schedule. Merchants and business operators in high risk industries may be required to pay higher fees in our sole discretion. If you are unsure whether you or your business is classified as high risk or in violation of Section 7.1 of this Agreement, please contact@uabsv.com. Your Account and all Crypto-Asset Transactions are made and displayed in the currency of the Crypto-Asset held or the Crypto-Asset of Crypto-Asset Transaction you are conducting.

If you have chosen to setup the conversion feature through third parties to allow for an automated conversion of Crypto-Asset when you receive them as a payment or otherwise (e.g., an automatic conversion of ETH to BTC), you agree to accept such conversion at the rate provided including, without limitation, the conversion fees, which may be adjusted from time to time. We do not guarantee the availability of any conversion rate.

You authorize us, or our designated third party, to charge or deduct from your Account funds for any applicable fees owed in connection with transactions completed or approved by you or in connection with your Account via the Services.

- 3.2 *Dormant Account Fees.* Your Account will be deemed dormant after 12 consecutive months of inactivity (a "Dormant Account"). Activity is defined as carrying out a transaction (deposit, withdrawal, conversion or other transaction). For the avoidance of doubt, simply logging into your Account shall not be considered activity.

For each 12 consecutive months of inactivity, we will automatically charge an inactivity fee of 5.5% of the value of all the funds and assets including Crypto-Asset in your Dormant Account on all Dormant Accounts. This fee is intended to cover the administrative and operational expenses associated with maintaining inactive Dormant Accounts. This charge will be applied on a per Dormant Account basis, meaning where you have multiple Dormant Accounts with us, we will charge the inactivity fee on each of them. The inactivity fee will be deducted from the Dormant Account's available funds and assets including Digital Assets until either you use your Account and conduct a qualifying transaction or the balance of your Account is depleted. If your Dormant Account has insufficient funds or assets to cover the inactivity fee, any remaining balance in your Dormant Account will be deducted (if any) and we will close your Dormant Account. You may avoid inactivity fees by carrying out a qualifying transaction before the inactivity fee is applied.

We may apply the inactivity fee to your Dormant Account without prior notice.

- 3.3 *Failure to Pay Fees.* If you fail to pay fees or any other amounts owed to us, interest will accrue on such unpaid amounts at the greater of the rate of 18% per year, or the maximum amount allowed by law. In addition, if we must engage a third party to assist in collecting outstanding amounts from you, then we will charge you the lesser of a collection fee of eighteen percent (18%) of the outstanding amounts due or the maximum percentage permitted by applicable law, to cover our collection-related costs.

4. *Receiving Payments.*

- 4.1 *Funding of Payments.* You are responsible for maintaining an adequate balance and sufficient proceeds in your Account in order to pay for fees and complete transactions and in order to avoid overdraft, insufficient funds, or similar fees being charged. If reversal of funding occurs because you have used credit then you are fully and solely responsible for any resulting debit.

- 4.2 *Withdrawals.* You may withdraw Crypto-Asset from your Account; however, we reserve the right to require you to provide certain information including, without limitation, identification information and settle any outstanding fees or other amounts prior to completing any withdrawals.
5. *Sending Payments.*
- 5.1 *Sending Payments.* You may send Crypto-Asset from your Account to another User's account or to an external Crypto-Asset address; however, we reserve the right to require you to provide certain information including, without limitation, identification information and settle any outstanding fees or other amounts prior to completing any such transactions or payments. You authorize us to deduct from your Account fees, costs, expenses and claims due and unpaid by you. All Crypto-Asset Transactions are at your sole risk.
- 5.2 *Rejected Payments.* When you send a payment to a third party through our Services, the recipient is not required to accept the payment, even if the recipient is also a registered User. The recipient may return the payment or, in some cases, use our Services to reject payments that you send. Any payments sent through our Services that are rejected or unclaimed by a recipient will if possible be returned to you as soon as reasonably practicable after the date the payment is rejected and the Crypto-Asset or funds are returned and received by us. Our standard fees apply for such transactions. You agree that you will not hold us liable for any damages resulting from such rejected transactions.
6. *Refund Policy.*
- 6.1 *Completed Transactions.* It is the nature of Bitcoin, Litecoin, and the other Crypto-Assets that we support that all Crypto-Asset Transactions are final with no method of refunding, charging back or other recourse for the sender of the Crypto-Asset. As such we are unable to cancel, reverse or provide refunds for any Crypto-Asset Transaction made through our Services. We do provide a feedback system so buyers can leave ratings for sellers (and vice versa).
- 6.2 *Incomplete Transactions/Overages.* If your Crypto-Asset(s) were not received and/or confirmed on the relevant Crypto-Asset platform or you sent more Crypto-Asset(s) than you intended to send, we may be able to provide you with a refund as long as you have promptly notified us in time and such Crypto-Asset(s) are still within our control. To apply for a refund, open a support ticket providing your transaction ID, verification code, and refund Crypto-Asset address. The ticket must be opened with the email address used for the applicable Crypto-Asset Transaction. Refunds will be either (in our sole discretion): (a) the original amount of the Crypto-Asset(s) we have received and are still within our control; or (b) an amount equivalent to the United States of America dollar (USD) value at the time of the Digital Asset Transaction. All refunds must be claimed within 90 days of us receiving your Crypto-Asset(s) or they will be forfeited. Refunds of Crypto-Asset(s) and other funds may be returned to you minus our costs, the unsubsidized coin/miner network transaction fee and any other third-party charges. For a refund to be honored it must be at least equal to the network transaction fee for that Crypto-Asset times two, otherwise it will be forfeited.
- 6.3 *Sent to wrong wallet/blockchain, missing tags, delisted coins, etc.* If you have sent digital currency to the wrong digital currency wallet or blockchain, or to a delisted digital currency address and it needs to be recovered by us manually there will be a recovery fee of 8%, if the digital currency can be recovered at all, and we reserve the right in our sole discretion to not attempt to recover small amounts. This would also apply to digital currency that require a destination tag, payment ID, memo, etc. that was not sent or sent to an incorrect address. We will not recover digital currency we do not support. You must contact us within 90 days after an applicable Digital Currency Transaction for us to recover your digital currency, if recoverable, or it will be forfeited.

- 6.4 *No Liability for Errors/Omissions.* You accept and acknowledge that we are not liable or responsible for any errors or omissions that are made in connection with any Crypto-Asset Transaction initiated via the Services other than any errors or omissions as a result of our own actual fraud or gross negligence. We strongly encourage you to review your transaction details carefully before attempting to transfer a Crypto-Asset.

Furthermore, if we hold any funds or assets including Crypto-Assets on your behalf which you have failed to claim, we may be required to deliver any such funds and assets to the authorities in certain jurisdictions as unclaimed property. You agree that we are under no obligation to disclose the details of such risk management and security procedures to you.

Upon termination of your Account for any reason, you continue to be bound by this Agreement.

Additionally, to secure performance of your obligations under this Agreement, you hereby grant to us or our designee a continuing first priority security interest in and to all of your right, title and interest in and to all of your Account(s), together with any funds, assets including Crypto-Assets and interests therein, whether now owned or existing or hereafter acquired or arising and regardless of where located and all products, proceeds, substitutions, additions, accessions and replacements thereof (all of the same being herein referred to collectively as the "Collateral"). You must not create security over your Collateral without our prior written consent.

In addition to any rights and remedies we may have under this Agreement or applicable law, upon the occurrence and during the continuance of any default in your payment of any fees, expenses, costs, losses, liabilities or other obligations owing to us (collectively, the "Obligations"), you hereby authorize us at any time and from time to time, without prior notice to you or consent from you, any such notice or consent being waived by you to the fullest extent permitted by applicable law, to set off and apply any and all Collateral at any time held by us to or for the credit of you or your Account against any and all Obligations owing to us under this Agreement, under any other agreement or otherwise, now or hereafter existing, irrespective of whether or not we shall have made demand under this Agreement or any other agreement and although such Obligations may be contingent or unmatured or denominated in a currency or Crypto-Asset different from that of the Collateral.

For the avoidance of doubt, the above provisions constitute a security interest over your Collateral and the set off of such Collateral against any Obligations owed to us to ensure proper repayment of such Obligations in connection with your use of our Services.

You are solely responsible for your interactions with other users. We reserve the right, but have no obligation, to monitor disputes between you and other users. We shall have no responsibility or liability for your interactions with other users, or for any user's action or inaction.

- 10.12 *Applicable Law.* This Agreement shall be governed in all respects, including as to validity, interpretation and effect, by the laws of the Republic of Lithuania without regard to conflict-of-laws principles. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

- 10.13 *Arbitration.* Read this section carefully because it requires each party to this Agreement to arbitrate our disputes and limits the manner in which you can seek relief from us. For any dispute with us, you agree to first contact us at contact@uabsv.com and attempt to resolve the dispute with us informally. In the unlikely event that we have not been able to resolve a dispute we have with you after ninety (90) days, we each agree to resolve any claim, dispute, or controversy (excluding any claims for injunctive or other equitable relief as provided below) arising out of or in connection with or relating to this Agreement, or the breach or alleged breach thereof, by binding arbitration in accordance with the London Court of International Arbitration (LCIA) rules in effect at the time of the arbitration, except as they may be modified herein or by mutual agreement of the parties. The number of arbitrators shall be one who shall be mutually selected by UABSV and you within 30 days after the initiation of arbitration. If you and we do not reach agreement on the sole arbitrator, then the LCIA Court shall appoint the sole arbitrator within 30 days. The seat, or legal place, of arbitration shall be London, England. The language to be used in the arbitral proceedings shall be English. The governing law of the Agreement shall be as set forth in Section 10.12 herein. The arbitration award shall be final and binding on the parties. The parties undertake to carry out any award without delay and waive their right to any form of recourse insofar as such waiver can validly be made. Judgment upon the award may be entered by any court having jurisdiction thereof or having jurisdiction over the relevant party or its/his/her assets. All costs and expenses of the arbitrator and any other costs of conducting the hearing shall be borne by the parties equally. Each party shall bear its own arbitration costs and expenses, including its legal fees and other costs of legal representation.

Nothing in this Section shall be deemed as preventing us from seeking injunctive or other equitable relief from the Lithuanian courts as necessary to prevent the actual or threatened infringement, misappropriation, or violation of our data security, Intellectual Property Rights or other proprietary rights. You agree to submit to the exclusive jurisdiction of the Lithuanian courts for any actions for which we retain the right to seek injunctive or other equitable relief in a court of competent jurisdiction to prevent the actual or threatened infringement, misappropriation or violation of our data security, Intellectual Property Rights or copyrights, trademarks, trade secrets, patents, or other intellectual property or proprietary rights, including, without limitation, any provisional relief required to prevent irreparable harm. You agree that the Republic of Lithuania is the proper forum for any appeals of an arbitration award or for trial court proceedings in the event that the arbitration provision above is found to be unenforceable.

- 10.14 *Change of Control.* In the event that we are acquired by or consolidated, amalgamated or merged with a third party entity, we reserve the right, in any of these circumstances, to transfer or assign the information we have collected from you and our relationship with you (including this Agreement) as part of such merger, consolidation, amalgamation, acquisition, sale, or other change of control.
